

# Distracted Driving: Legislation and Regulation in the EU

Ward Vanlaar  
Traffic Injury Research Foundation  
International Conference on Distracted Driving  
October 2-5, 2005, Toronto

A DRIVING FORCE FOR SAFETY

TRAFFIC INJURY  
RESEARCH FOUNDATION

# Overview

- Legislation and regulation
- Evaluation
- Enforcement
- Public attitudes
- Conclusion

# Legislation and regulation

- National level
- European level
- International Extra-EU level

# Evaluation

- Cell phone use
- EU projects on HMI
- SafetyNet

# Enforcement

- Enforcement information is scarce.
- EU project PEPPER

# Public attitudes

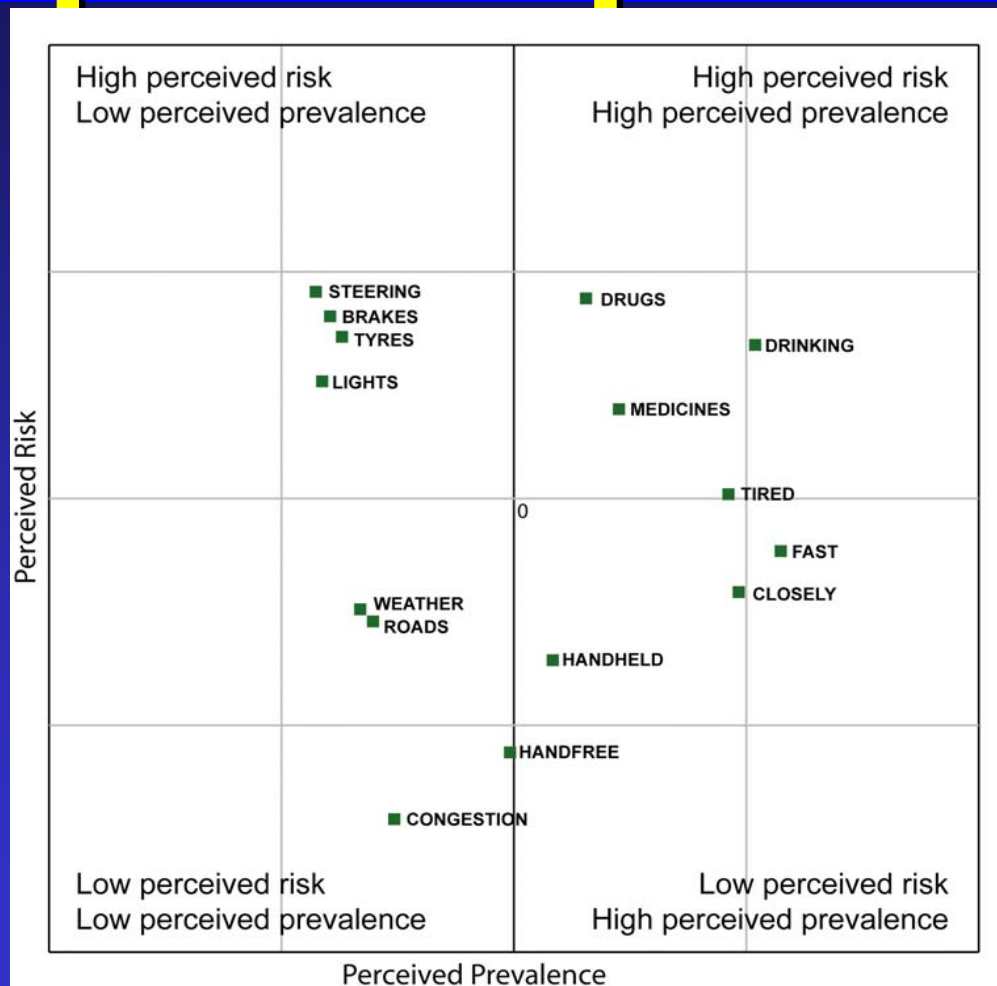

- Drivers are not aware of the negative consequences associated with cell phone use.
